

Things to Consider when purchasing a Gift Card

- At the hotel, during periods of high demand, a two-night minimum may be required. Most Saturdays require a two-night minimum.
- Due to demand, Hotel Guests will have priority for spa appointments on Saturday, Sunday, and other busy days. Vacation/holiday weeks and certain busy days, Mirbeau requires that day spa guests book a minimum of two 50-minutes treatments per person or one 100-minute treatment per person. This minimum does not apply to overnight guests. We encourage all appointments to be booked at least ten to twelve weeks in advance.
- On certain holidays that fall midweek, M-TH spa treatment pricing is not valid.
- Spa Guests must be 18 years of age to experience a spa treatment, to enter and utilize the spa and fitness facilities.
- Gift cards are issued for cash value. Not specific packages or services.
- Gift cards are nonrefundable.
